

# Declaration of Incorporation of Partly Completed Machinery

We declare that Simplex Motion AB motors referenced below are manufactured and supplied as partly completed machinery in accordance with Machinery Directive 2006/42/EC.

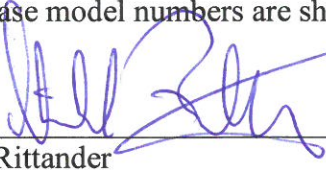

This partly completed machinery shall not be put into service in the European Community until the final machinery into which it is to be incorporated has been declared in conformity with the provisions of Directive 2006/42/EC and all other applicable EC Directives to meet requirements for use of the CE mark.

Simplex Motion AB motors can produce high temperatures, have external rotating parts and can generate and use high current and voltages, therefore, requires conformance to safety measures during installation and operation to reduce risk from these hazards. Installation of this motors should only be performed by properly trained specialists.

Technical documentation is compiled in accordance with Part B of Annex VII of the machinery directive. This documentation is available on reasonable request by national authority to: Mr. Mikael Rittander, CEO at Simplex Motion located at Simplex Motion AB, Stena Center 1 D, 412 92 Gothenburg, Sweden.

Manufacturer: Simplex Motion AB.  
Issued by: Simplex Motion AB (Organization no: 556949-1367)  
Stena Center 1 D  
412 92 Gothenburg, Sweden  
Type of Equipment: Integrated Servomotor  
Date of Issue: 2019-01-01  
Model Numbers\*: SMXXXX SM-Series (Originally issued November 15, 2013)  
SHXXXX SH-Series (Originally issued June 01, 2017)  
SCXXXX SC-Series (Originally issued January 01, 2019)

\*Only base model numbers are shown. This declaration applies to all motor stack sizes.
